

WINTER 2020 NON-CLINICAL ELECTIVES LIST - SEATTLE STUDENTS

***Please note, you must not sign up for non clinical electives, preceptorships or shadowing experiences which conflict with your classes or required activities. This includes anatomy labs, classes, college hospital tutorials, clinical skills, primary care practicum, and Ecology of Health and Medicine. Please contact the non-clinical elective course director for permission to accommodate an occasional absence from the elective if your schedule allows you to attend most of the assigned elective class times. If there are any exam conflicts with your chosen elective, then the exam **MUST** take precedence---SOM exams cannot be missed to attend any elective course-work.**

Courses highlighted below IN YELLOW may conflict with required coursework. Please schedule accordingly.
