

CEE Graduate Student Orientation - Agenda Wednesday, September 21, 2016

Orientation is designed to acquaint incoming students with Civil & Environmental Engineering (CEE) Department, our services, policies and procedures. It is also a chance to get to know other incoming graduate students, some of the current graduate students, and faculty, as well as become familiar with the departmental and other campus resources that are available to graduate students. We hope you find orientation informative and enjoyable.

- 8:45 RA's & TA's Meet with GSA Union Representative, UAW 4121** Required for all RA's & TA's
More Hall, Room 225
- 9:15 RA/TA's and Fellowship Recipients Meet with CEE Payroll Coordinator** Required for all RA's, TA's & Fellowship recipients (if receiving funds through the UW payroll system)
More Hall, Room 225
