The screenshot shows the top navigation bar of the IHI website. On the right side of the bar, there are links for "Log In / Register" (highlighted in yellow), "Extranet", "Newsletter Sign Up", "Blog", and "Careers". On the left side, the IHI logo is displayed with the text "Institute for Healthcare Improvement" and the tagline "Improving Health and Health Care Worldwide". To the right of the logo is a search bar with a magnifying glass icon and a "SEARCH" button. Below the navigation bar is a horizontal menu with the following items: a home icon, "ABOUT US", "TOPICS", "EDUCATION", "RESOURCES", "REGIONS", and "ENGAGE WITH IHI".

New IHI White Paper on

With the publication of a new white paper, [Equity: A Guide for Health Care Organizations](#), we ignite new thinking and activity by health systems to address the ongoing disparities and inequities in health care organizations have a significant impact on health equity. They have the power to address these issues directly at the point of care, and to address the social determinants that create these disparities. This paper includes a framework for health care organizations to measure health equity in the communities they serve, a case study on measuring health equity, a case study tool. For additional resources, visit [this page](#).
