

CLINICAL AUDIOLOGIST NEEDED IN SPARTANBURG, SC

About the Company

The Hearing Center of Spartanburg ENT has been serving patients in the Spartanburg, Greer and Greenville area for over 50 years. Our experienced providers and support staff are well equipped to assist our patients with their hearing health. From performing hearing evaluations to dispensing the latest in hearing instrument technology, our staff provides quality hearing care for all ages.

About the Position

We are currently seeking a full-time Audiologist for our Spartanburg, South Carolina office location. The Audiologist will provide services for pediatric to geriatric patients in a clinical setting. Clinical services include comprehensive audiometric testing, VRA, Tympanogram, OAE, VNG, BPPV diagnosis and treatment, and occasional clinical research testing.

Spartanburg & Greer ENT offers a competitive salary and comprehensive benefits package, which includes paid vacation and sick time, paid holidays, health and disability insurance, licensure allowance and CEU reimbursement and industry conferences.

Qualified candidates must be an AuD level or highly experienced Master's level audiologist, appropriately licensed in South Carolina. Candidates with previous department management/director experience strongly encouraged to apply!

Come join our amazing team of professionals where our goal is to provide top-notch care to every single patient. Interested candidates may submit application materials to careers@fuelmedical.com.

About Spartanburg

Spartanburg is an affordable, family friendly community with highly rated private and public schools, a growing regional healthcare system, and a vibrant downtown - rich with art and music culture, delicious foods, award-winning breweries and much more! Spartanburg is situated in the foothills of the Blue Ridge Mountains, meaning there are outdoor activities aplenty, such as camping, hiking and biking to name a few. No matter what your interests are, Spartanburg has something for you!
