

Central Coast

Head and Neck Surgeons

Central Coast Head and Neck Surgeons is currently seeking a licensed audiologist for a full-time position in an established multi-physician, multi-office otolaryngology practice in Salinas, California.

Responsibilities include providing full-scope audiology services for patients of all ages.

Salinas is located in the beautiful Monterey Bay Area. Our physicians and audiologists work in collaboration to coordinate patient care. Our clinic has a strong culture of respectful relationships between professionals. We also promote healthy work/life balance for our employees!

This position offers a competitive salary and benefits package. Candidates must possess a Master's Degree or a Doctorate in Audiology and be licensed in the State of California (or eligible for California licensure). Excellent interpersonal skills, the ability to prioritize and handle a high volume of patients, work in a team environment, interact professionally with patients, physicians, and team members are also required.

Interested and qualified candidates may submit their CV to careers@fuelmedical.com
