

Audiologist needed at ENT Associates of East Texas – Apply today!

ENT Associates of East Texas is a large six physician, seven audiologist practice in Tyler, TX. We are seeking a full-time audiologist to join our team! Doctorate in Audiology preferred, however qualified candidates with a Master's degree will be considered. Eligibility for Texas State Licensure is required. ASHA certification and a desire to supervise 4th year graduate students in the future is also preferred.

ENT Associates of East Texas has been in business for over 30 years. We are a fast paced clinic with six board-certified Otolaryngology physicians, a Physician Assistant, and a Nurse Practitioner. We have an excellent audiology staff including six full time audiologists, one part-time audiologist and 4th year graduate students. Our clinic offers a wide range of ancillary services as well, including allergy and vestibular rehabilitation. Our diagnostic audiology services include full audiometric evaluations on pediatrics and adults, VNG, neurologic ABR and EcochGs. In addition, we operate a thriving and rapidly growing hearing aid center, SoundLogic, in which we see cochlear implant, BAHA, and tinnitus patients, in addition to traditional hearing aid patients. We moved into a brand new, state of the art, 23,000 square foot facility in December 2016.

The candidate should have experience in adult and pediatric audiometry, balance testing, and hearing aid sales and dispensing. This position offers a well-rounded experience in most areas of audiology. The candidate should also exhibit strong work ethic, a positive attitude, strong customer services skills, and be a self-starter.

\$3000 in relocation assistance will be provided with a one year contract.
